Fundraising Proposal: Maha Puran 2026 & Spiritual Development

Organized By: Hindu Dharma Samudaya (Thimphu, Bhutan)

Event Date: Starting August 21, 2026

1. Executive Summary

The Hindu Dharma Samudaya of Bhutan (HDSB) is pleased to announce a grand Maha Puran to be held in Thimphu starting August 21, 2026. This sacred event serves a dual purpose: it is a spiritual gathering for the community and a major fundraising drive. We seek to raise Nu. 10.5 million to support two critical pillars of our mission: the Sanskrit Education Fund for Youth and the Mandir Infrastructure Development Project and wellbeing of their Majesty, all sentential beige and success of GMC.

2. Alignment with HDSB Vision & Mission

This proposal is rooted in the core constitutional values of the Hindu Dharma Samudaya of Bhutan (HDSB):

- Spiritual Fulfillment (Vision 3.1.1): By hosting the Maha Puran, we provide a platform for religious integrity and happiness.
- Loyal Citizenry (Mission 3.2.2): We aim to strengthen the community's image as productive, harmonious members of Bhutanese society.
- Quality of Life (Mission 3.2.3): Funds raised will directly improve the spiritual resources available to our registered members.
- Community Welfare: People in need will be catered through the funds received.
- Cultural & Social Responsibility: Improvement of the Cremation Ground (Duthey) for the benefit of the community.

3. Statement of Need

To ensure the long-term survival of our traditions in a modernizing world, we must address two urgent needs:

1. **Youth Education:** There is a growing gap in traditional Sanskrit knowledge among our youth. Without dedicated funding for teachers and materials, our cultural heritage risks fading.
2. **Infrastructure:** Our local Mandirs require renovation and expansion to safely accommodate the growing number of devotees in Thimphu.

4. Project Goals & Fund Allocation

Category	Description
Maha Puran Execution	Venue, logistics, guest scholars (Pundits), and community meals (Prasad).
Youth Sanskrit Fund (Bal Vikash Program)	Scholarships, Sanskrit Pathsala textbooks
Mandir and Secret site Development	Physical renovation, seismic strengthening, and facility upgrades in Thimphu.

5. Impact & Evaluation

HDSB will provide a transparent "Impact Report" after the event. Success will be measured by:

- The successful completion of the week-long Maha Puran event.
- Enrollment numbers for the new Sanskrit Education programs.
- Visible progress in Mandir construction milestones.
